Year Level: Student Name:

STEP ONE – define your support needs

On the right is a list of potential goals for this session. Select one (or more), or, write your own below:

- I am needing to make decisions about school subjects to take and I would like some support with that.
- I would like some support to identify my strengths, skills, interests.
- I would like some support to build my understanding of different types of careers.
- I would like some support to understand the types of careers I might be good at.
- I want to get a better idea of the sort of university study options available.
- I'd like to know more about trade-based employment options.
- I need some help understanding academic requirements for a particular course of study I am interested in.
- I need some specific help around writing a CV, jobs and interview skills.
- I need some specific help around scholarship applications.

My goal for today's discussion is:
